PROFILE SUMMARY

"I'm a Frontend Developer skilled in HTML, CSS, JavaScript, and React. I'm passionate about building responsive, user-friendly web applications and always eager to learn and collaborate on innovative projects."

PROJECT

Project Name : DiscussHub

- Developed DiscussHub, an interactive forum using the MERN stack (MongoDB, Express.js, React.js, Node.js) and Tailwind CSS. Key features include user authentication, real-time notifications, post voting, admin panel, and mobile-responsive design. Demonstrates expertise in full-stack development and building scalable, user-friendly applications.

Project Name : Service Review Application System

- A full-stack platform where users can log in, add services, and post reviews. Users can manage their reviews and explore feedback on their listed services. Built with user authentication, CRUD operations, and secure database interactions, this project offers hands-on experience in creating a robust review-sharing platform.

🔗 **Live Link**   **Client Code**   **Server Code**

Project Name : Movieverse

- MovieVerse is a dynamic movie portal built with React and Node.js, allowing users to explore, manage, and favorite movies. It features a responsive design, Firebase authentication (email/password & Google login), and CRUD operations for personalized movie preferences. Users can view detailed movie info, add favorites, and toggle between dark/light themes, with smooth transitions and toast notifications.

SKILL

- **Proficient in HTML, CSS and JavaScript**
- **Front-End Frameworks : React JS, Next JS**
- **CSS-FrameWorks : Tailwind CSS, Bootstrap-5**
- **Version Control : Git, GitHub**
- **Firebase Authenication**
- **Backend Technologies: Node.js, Express.js, MongoDB**
- **Tools & Libraries: TanStack, Axios, @Shadcn**
- **Key Skills: Problem Solving, Debugging, Responsive Design, Cross-Browser Compatibility, CORS (Cross-Origin Resource Sharing)**

EDUCATION

Secondary School Certificate (SSC)
Comilla Modern high School
Group : Science
Passing Year : 2017
Result : GPA 4.95

Diploma In Engineering
Department : Electrical
Paassing Year : 2021
Result : CGPA 3.4
